GENERAL TERMS & CONDITIONS OF USE

The user acknowledges that they have read these General Terms and Conditions of Use and undertakes to comply with them. In the event that you access the ElectricDays.fr website from a country other than France, you undertake to ensure that you also comply with any locally applicable legislation

CONTENT OF THE ElectricDays.fr WEBSITE

The ElectricDays.fr website is a website that provides access to the registration form of the Electric Days, a private digital event organised by the EDF group on December 1st, 2020.

The ElectricDays.fr website also gives access the Electric Days programme, i.e.: live broadcasts, a digital exhibition showcasing innovations as true experiences, workshops, podcasts, “on demand” videos and replay of the live content, etc. (Non-exhaustive list)

The information provided on the ElectricDays.fr website is purely indicative and is provided for information purposes only. EDF cannot guarantee the accuracy or completeness of information displayed on the website or that it is up to date. This information should be subject to an appropriate additional analysis by the user. EDF may not therefore be held liable for any errors or omissions, or the unavailability of information and services.

Consequently, the user acknowledges that they use this information at their own risk. EDF cannot be held responsible for any direct or indirect losses that may result from access to or use of the ElectricDays.fr website, including, without limitation, inaccessibility, loss or data, and/or the presence of viruses on its website.

DATA PROTECTION AND CIVIL LIBERTIES

In compliance with the French regulation no. 2016/679, or General Regulation for the protection of the data (GRPD) and the provisions of French law no. 78-17 of January 6th, 1978 on data processing, files and civil liberties, the automated processing of personal data carried out via the ElectricDays.fr are subject to a declaration to the EDF Data Protection Officer (DPO). They are exclusively for EDF internal use.

The personal data collected on the ElectricDays.fr website will be used by the EDF group Communications division and its service providers authorized for the management and organisation of 2020 Electric Days to send information related to the event to guests (including invitation, participation, survey).

They will be store them for 18 months after the end of the event. These data may also be reused for commercial prospection by EDF for events organised by the EDF group.

The data collected in this manner shall not be transferred, exchanged or rented. In the event that you do not provide this information, EDF shall not be able to process the corresponding files.

Pursuant to the aforementioned law, users are informed that they have a right to oppose, access, correct, limit, delete and exercise their portability right on their personal data.

These rights can be exercised:

- either directly on the website, by email support@electricdays.fr
- or by writing to:

EDF
Direction de la communication
Direction Digitale et Éditoriale
22 - 30, avenue de Wagram
75008 Paris

You can unsubscribe at any time by sending an email to: support@electricdays.fr

DATA PROTECTION OFFICER (DPO)

EDF has chosen to appoint a Data Protection Officer tasked with ensuring the protection of personal data and respect for the law within the company. Should you require any information, or should you need to exercise your rights, you may contact them at the following address:

EDF
Délégué à la protection des données
Tour EDF - 20 place de la Défense
92050 Paris La Défense Cedex

or by email at informatique-et-libertes@edf.fr

You may also bring your case before the French Commission on Informatics and Liberty (CNIL, Commission Nationale Informatique et Libertés).

COOKIES

You are informed that during your visits to the website a cookie may be automatically installed in your browsing software. This is a set of data that is not used for identification purposes but serves to record information regarding your browsing on the ElectricDays.fr website. It makes it possible to analyse the number of visits and measure the audience etc. in order to improve the quality of the website.

INTELLECTUAL PROPERTY

The brands and logos (semi-figurative trade name) of EDF and of EDF group companies shown on the site are registered trademarks. Any total or partial reproduction or representation, either alone or integrated with other elements, without prior, express, written authorisation from EDF or the EDF Group companies in question is strictly prohibited.

The general structure, the software, texts, images, videos, audio, expertise, animations and more generally any information and content included on the ElectricDays.fr website are the property of EDF or are subject to rights of use and operation. These elements are subject to legislation protecting copyright.

Any total or partial representation, reproduction, modification or alteration of all or part of the website or its content, by any process, and on any media, shall constitute an infringement penalised by articles L 335-2 et seq. of the French Intellectual Property Code (Code de la Propriété Intellectuelle).

In the event that you should wish to use any of the content of the ElectricDays.fr website (text, image, etc.), you must obtain express, prior, written authorisation from EDF, by writing to the address provided in the "Legal Information" paragraph or by sending an email to the webmaster.

APPLICABLE LAW

The ElectricDays.fr website is governed by French law. Most of the online content and services on the ElectricDays.fr website are offered in French and English. In the event of any disputes, the French language version shall prevail.

SATISFACTION SURVEY

In compliance with the French regulation no. 2016/679, or General Regulation for the protection of the data (GRPD) and the provisions of French law no. 78-17 of January 6th, 1978 on data processing, files and civil liberties, the email addresses collected during your taking part in the Electric Days are subject to a declaration to the EDF Data Protection Officer (DPO). The file containing all email addresses is exclusively for EDF internal use.

This file will be used by the EDF group Communications Division and its authorised service providers, to allow for a post-event satisfaction survey to be sent to Electric Days participants.

The service providers are working within the framework of a subcontracting contract, including confidentiality and security obligations.

EDF and its service providers will keep this file only for the time necessary to process the satisfaction survey. When your data is collected on a consent-basis, EDF can use it until you withdraw your consent. From the withdrawal of your consent, your data is only kept for the minimum time period necessary to accomplish the deletion procedures.

The file shall not be transferred, exchanged or rented. In the event that you do not provide this information, EDF shall not be able to process the corresponding files. Pursuant to the aforementioned law, users are informed that they have a right to oppose, access, correct, limit, delete and exercise their portability right on their personal data.

These rights can be exercised:

- either directly on the website, by email support@electricdays.fr
- or by writing to:

EDF
Direction de la communication
Direction Digitale et Editoriale
22 - 30, avenue de Wagram
75008 Paris

You can unsubscribe from the satisfaction survey at any time by sending an email to: support@electricdays.fr
